Attainment

Attainment! One of the mighty words of the language! It contains in its capsule the meanings that carry the hopes and the aspirations of men. The names of its facets are legion: in the conquest of goals and objectives, it is achievement; in mental and spiritual growth, it is maturation; in pushing to the limits of the possible, it is perfection; in seeking the spiritual riches of earth and heaven, of time and eternity, it is fulfillment.

Achievement, maturation, perfection, fulfillment: — attainment includes them all! It is the glory of the gods, the goal of manhood. It is the hope and challenge of the youth—before its dawn they perform their orisons. In its light they beat their path to their eternal goal.

John W. Wilson

MR. JOHN W. WILSON

With the increased enrollment this year, the administration, under the leadership of Mr. Wilson, has had almost a double burden. He met and mastered this challenge. His duties as principal of Jordan are important and very numerous. He represents the school on many occasions. During his years as Jordan's only principal, he has been an essential part of the tremendous growth of the school.

These are the Administrators who led...

MISS BURTYCE LINCOLN

As the assistant principal, Miss Lincoln's main job is that of supervisor of attendance. She is also responsible for setting up the master program for each semester. Her extremely friendly personality is admired by both students and faculty.

MR. RICHARD CLINE

Mr. Cline, our vice principal, keeps the activities of the Jordan student body running smoothly and efficiently. He is called upon many times to represent our school and shares some of the administrative responsibilities. He also sponsors the Key Club.

MR. ARTHUR ROSEMAN

Since September of 1942, Mr. Roseman has been a familiar figure on our campus. He was the boys' counselor until the beginning of this year, when, with the revised counseling system he became senior class counselor. When asked about his feelings toward his work, Mr. Roseman stated, "I enjoy my work, and I enjoy being here at Jordan."

MR. ROBERT ELLIS

The 900 sophomores of Jordan have for their counselor the former journalism teacher, Mr. Ellis. Also, to his credit, are listed such contributions to Jordan's development as Sponsor of Cat's Purr and Trailblazer. Mr. Ellis believes, "Counselors are definitely useful to both classes and individual students."

...Counseled and Registered

MRS. CATHERINE KENNEDY

For twelve years the Jordan students have been dependent upon Mrs. Kennedy, the school nurse, for first aid and physical examinations. She helps the school doctors, makes home calls, and generally contributes to the health and welfare of the student body which she serves. When asked why she chose school nursing for a career, Mrs. Kennedy said that most of all, she enjoyed working with teenagers.

MISS RUTH NOLD

A new addition to our administration this year is Miss Nold, the Junior class counselor. Before coming to Jordan, she was a psychometrist at Tulare, California. Miss Nold is glad to be counseling at a friendly school like Jordan.

Seniors

We seniors, after three long years, have reached our hard-worked-for, worthwhile goal. We leave behind us pleasant memories of friends, dances, classrooms, and social gatherings. Along with these, the Class of 55 also has not so pleasant memories of exams, long hours of homework, disappointments and moments of indecision.

Our senior class officers have done a fine job of leading the class through the year; but without our helpful counselor and sponsor they couldn't have been entirely successful.

Classes

We learn about insects, sewing machines, and acids, not to mention algebra, history, and physics. Although most of us couldn't do without our classes, we would like to try. The wide variety of electives helps to make school more enjoyable for more people. What would school be without these classes ?

JUNIORS - CLASS of '56

JUNIOR CLASS HISTORY

Upperclassmen today; Seniors tomorrow. The class of '56 had its greatest moments busying itself with such things as planning the annual Junior-Senior Prom, which was a tremendous success. The Juniors participated in the Christmas Dance, Triple K Week, and most of the athletic events. The Juniors themselves gave this class a most successful and happy year to remember. Jordan was proud to have them as a class.

SOPHOMORES - CLASS of '57

SOPHOMORE CLASS HISTORY

Sophomore bewilderment, the first day jitters, future ambitions; all these plus the excitement of football games, school yells, dances and new environment go into the word sophomore.

The Class of '57 is the biggest class in the history of Jordan. The first day enrollment was over 900 students. The Sophomore spirit is really tops and it helps the student body tremendously.

FALL OFFICERS — '54

One of the most popular places around Jordan is, of course, the canteen. The dances, games of pool and ping pong, and just getting together with friends make life much more enjoyable for many a Jordan student. Mrs. Jones, the sponsor, makes everyone feel right at home. The busiest time for the canteen was during the football season. This year the canteen had the largest enrollment since its opening seven years ago.

MAKE - UP

IN HEAVEN"

"One Foot in Heaven", a full-length comedy, based on the novel from which Warner Brother's picture was made, was presented by the drama class.

The entertaining character, Reverend Spence; his school age, trouble, getting into children; and an attractive wife walk into the dilapidated parsonage at thier new parish. What a shock! ReverendSpencer finds the chruch building starting to disintergrate; the congregation split into waring factions; and the choir "a cross between the devil's grandmother and a swarm of mountain wildcats." That was not the worst. The surprising conclusion brought down the curtain on an inspiring, and yet laugh-packed evening's entertainment. The 1910 setting was something different for a high school production.

STAGE CREW

CHRISTMAS PARTY

QUEEN JILL PARSONS

Dancing and soft music highlighted the evening as we swept across the floor with Christmas spirit.

The main event of the evening was the crowning of the Snowflake Queen, Jill Parsons, by Mr. Wilson. The Queen reigned happily over the merriment of the annual Christmas Dance. A wonderful time was had by all.

A SHARP SANTA

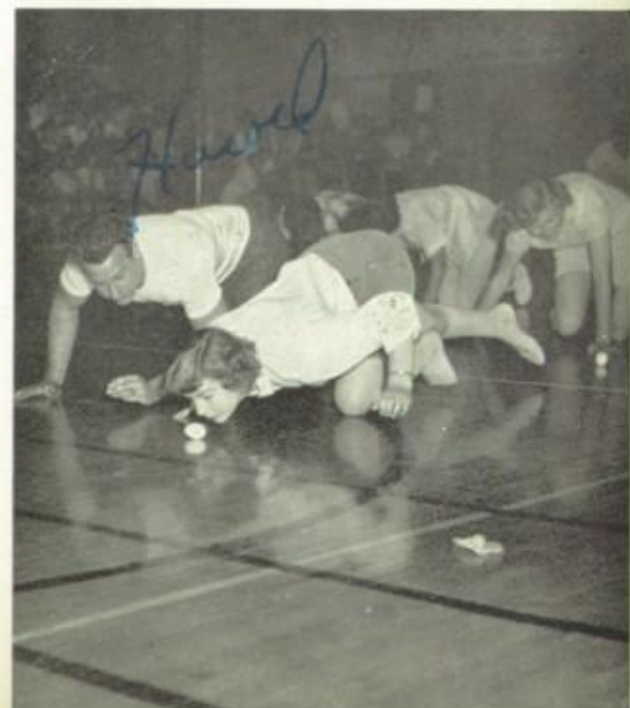

BACKWARD DANCE

Winner and champion

The climax of boys' week was the Backward Dance which was a big success. The girls provided the boys with vegetable corsages, transportation, and food. This is a very special week which all the boys enjoy. Norma Westphal was crowned the Nadroj Queen. To reign with her, as Mr. Ideal, was Andy Sargenti.

GIRLS' LEAGUE

GIRLS' LEAGUE CONFERENCE

Every girl at Jordan is a member of Girls' League. This year the Girls' League was under the guidance of Darlene Jones and Charlene Conrad. This organization sponsors several assemblies during the year. The annual convention of the local Girls' League organizations was held in February. The high point of the year for this group was sponsoring and planning Justice for Men's Week - - the week when the girls bring lunches, carry books, and open doors for the boys. The climax of Boys' Week was the Backward Dance. Amid the vegetable corsages Andy Sargenti was crowned Mr. Ideal. Norma Westphal reigned with him as Nodraj Queen.

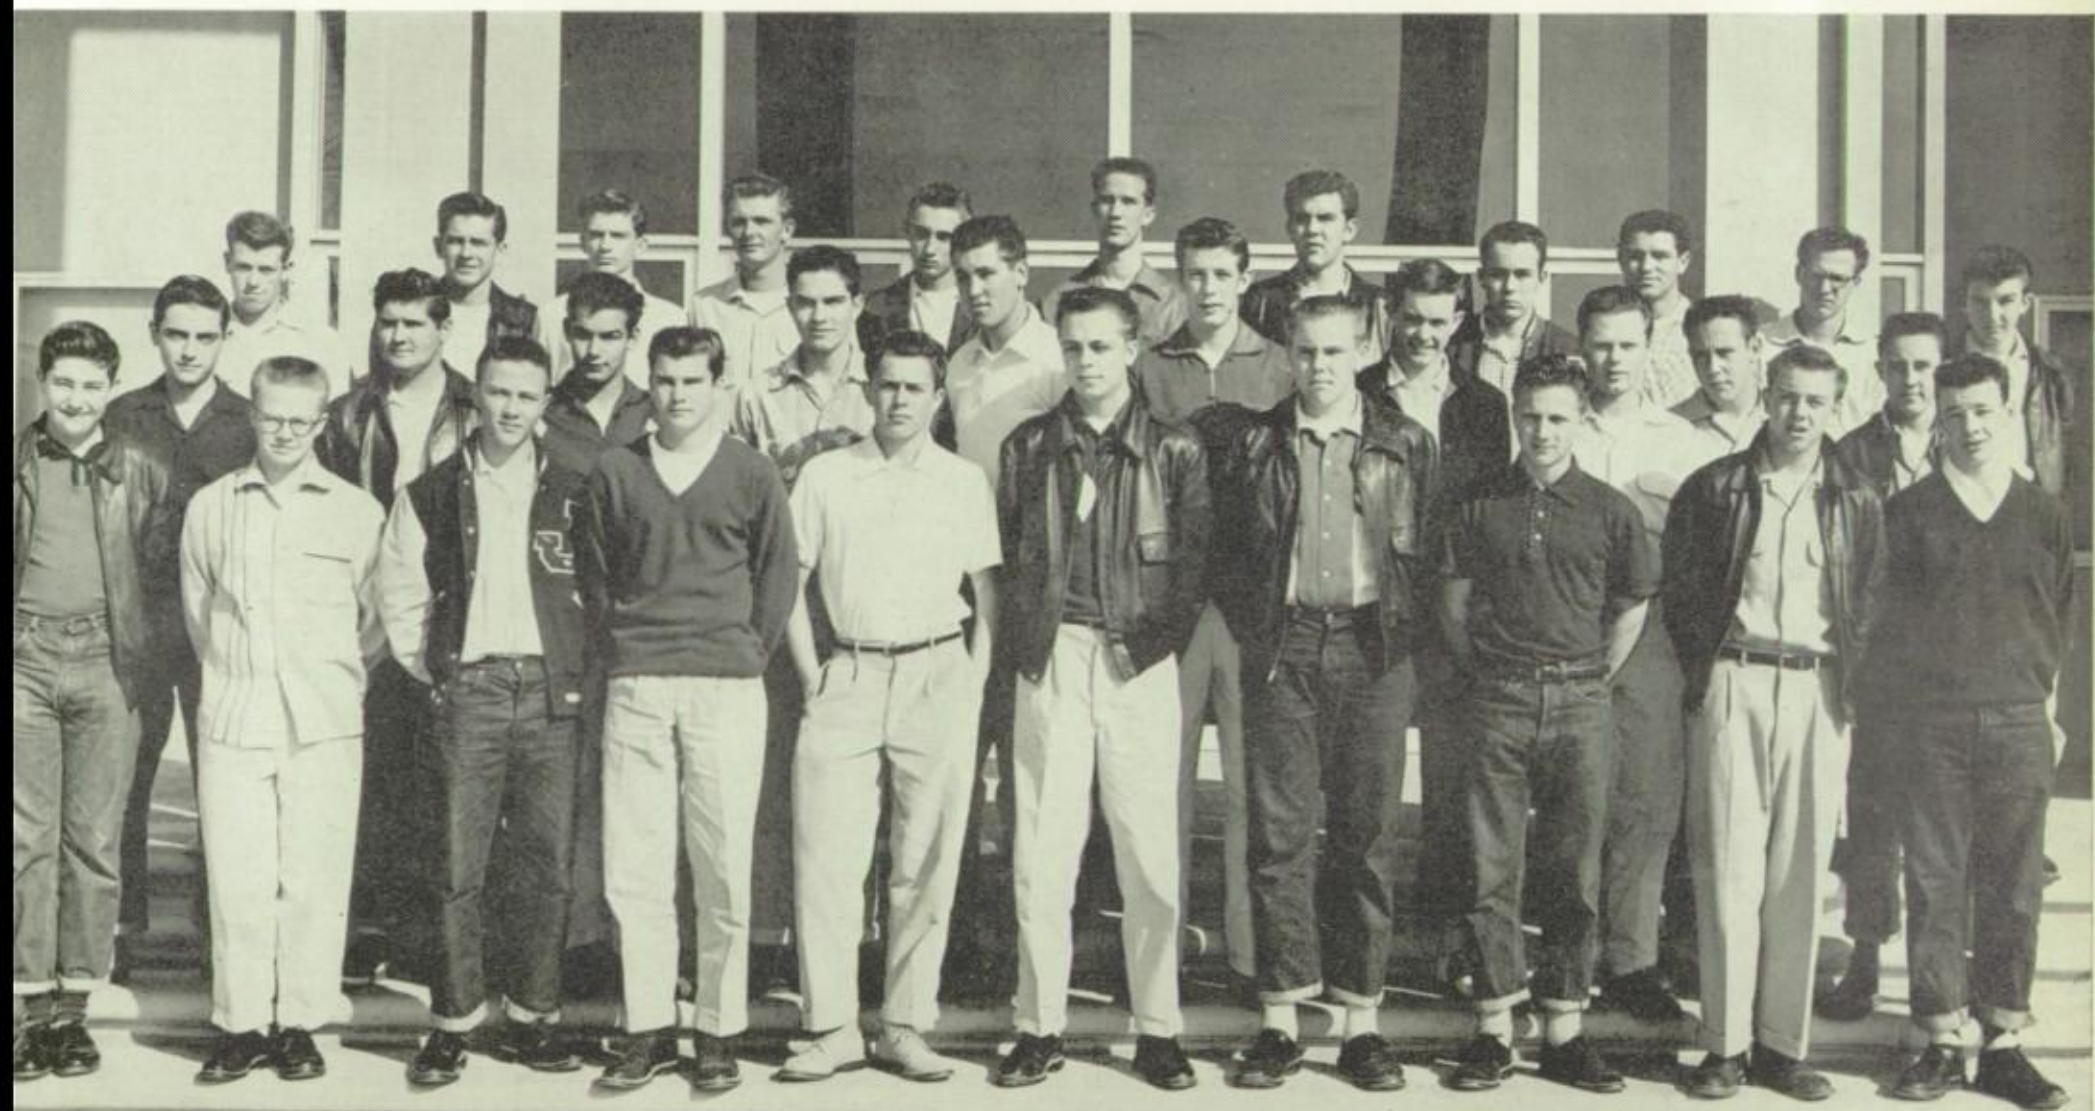

The main job of the Boys' League was planning the annual All School Picnic. They helped in putting up the booths, sold tickets, and co-operated with the various other organizations.

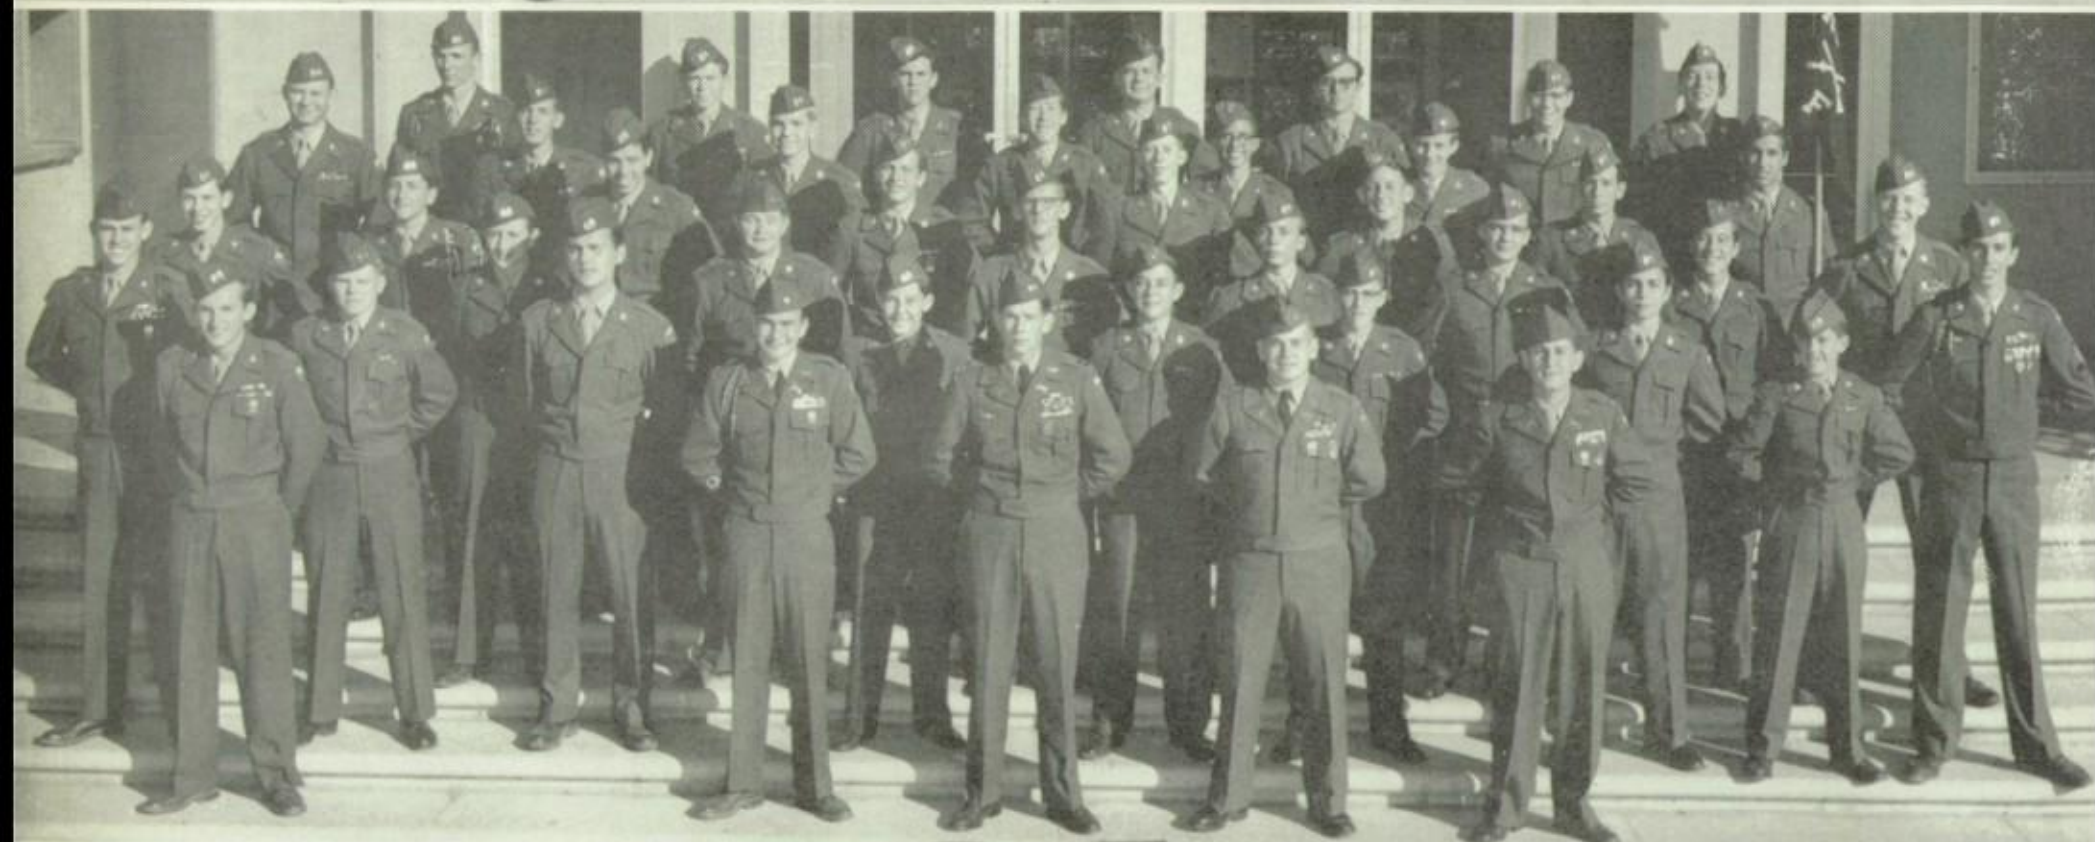

Bill Steuber headed this fine organization first semester and Ron Fairley, second semester. The capable sponsor was Mr. Greeley

RADIO WORK SHOP

The radio workshop class met eighth period under the direction of Mr. Rashkow. This class was designed to promote interest in radio production. The class wrote scripts and made recordings.

Several scripts for KLON, the Long Beach school radio station, were recorded.

ANNUAL PHOTOGRAPHERS

The annual photography class, consisting of fifteen members took pictures for the Cat's Purr, sports shots, and many other campus activities. Their equipment has been earned by the selling of these pictures.

Under the direction of Mr. Joaquin Miller over 8000 pictures were taken this year. Most of the students also have equipment to work with at home.

PRINT SHOP

In the print shop, the student learns basic subjects as English, grammar, spelling and punctuation by constant application and creation of a printed project. Jordan has some of the finest equipment available. The print shop, with the able assistance of Mr. George Meline, produces the school paper, school annual, and programs, posters, and tickets for the P.-T.A., school plays, musicals and athletic events.

MR. JAMES SHARP - - - SPONSOR

SHERRI GAGE - - - EDITOR

The Cat's Purr, under the direction of Mr. J. Sharp, came out on alternate weeks with a complete coverage of campus events. Sherri Gage, having been elected Editor-in-chief, for two consecutive semesters, did an exceptionally fine job. When deadlines were met and all copy in, the Staff sat back with a sigh, only to go to work on the next edition and once more bring the latest news to the campus.

The planning of the '55 Trailblazer was under the capable leadership of Mr. Joe Iantorno. We bring you what we believe to be the best annual that Jordan has ever had. The duties of editor-in chief were shared by Dick Silver and Pat Anderson. Without the help of the other editors and staff members the annual's progress would have been hampered. Early in the year, the staff attended a conference at the University of Redlands. This helped us in the plans for the annual.

ASSEMBLIES

LEADING LADIES — Nina Smith, Sharon Koon, Rodelyn Ballard, Jewel Bottineau, and Dorene Brewster

This year's annual production was **"Girl Crazy"**. This tremendous hit was really enjoyed by all who attended. The popular songs by George Gershwin were "Embraceable You", "I Got Rhythm", "Bidin' My Time", and "But Not for Me".

The plot is centered around a man who has trouble staying away from the girls in New York. He hires a taxi cab to New Mexico, where he is getting away from it all. Here he finds his difficulties in romance.

This was directed by Carl Robertson with assistance from Mr. Dixon and the orchestra, Miss Jacobson with the dramatics department, and Mrs. Robinson with modern dance.

This year's water ballet was again a sell out. It was directed by Mrs. Benson, Swimming instructor. Putting on this near-professional production involved long hours and hard work. Tryouts were held last spring and the girls practiced last summer. The theme of the show was "Circus With A Splash". Its color and Big Top excitement really made it a hit.

Jordan's Panthers became the cellar dwellers after ending up in the last place spot this year. The hard fighting Panthers opened the Coast League season by being defeated at the hands of Wilson 33-7. Jordan evened their league record to 1-1 with a 9-7 victory over Lynwood. The Pilots of Excelsior gave Jordan their second league loss by 27-7. The Cat's held the rambling Pilots to the last quarter when Excelsior exploded for 20 points. Compton, whom the Panthers defeated last year 13-12, came back to hand Jordan its third loss of '54, 21-7. Jordan's cross town rival, Poly, handed the Cats the surprise defeat of the season, 14-12. The hardened Panther's almost pulled a major upset over Alhambra, but were edged by the Moors 14-7. In the final game of the season Jordan again went down in defeat at the hands of the Downey Vikings 21-7. Selected to the All-League first team as guard was Harold Garrison: on the second team was C.H. Macklin. Outstanding players of the year for various games were C.H. Macklin, Fletcher Harding, Roland Boyd, Roy Blanchard, Harley Starkey, and Harold Garrison. C.H. Macklin was awarded a trophy, for the most prominent Football player of 1954.

The Jordan Bee's tied for first place with Poly for the Coast League Championship. The rampaging Bee's took their first four games in succession before falling to powerful Poly. In the four victories the Panthers were scored upon only once. The Panthers earned their first victory by crushing Wilson 21 - 0. Then Jordan went on to take their second league game from Lynwood 27 - 6. Going on for the third consecutive win, the Cats really had to fight for this game which they won 6 - 0 in the final quarter from the Excelsior Pilots. Still on the rampage, the Jordanites were not favored to defeat the Compton Tarbabes, but came out with a winning margin of 20 - 0. Then came the heartbreaking loss to Poly 13 - 6. Jordan had several scoring chances but didn't capitalize. The Panther's final contest and victory was over the Downey Vikings by a convincing score of 42 - 12.

All-City first string selections included Bruce Motshagen, Danny Adams, Gene Spehar, Chuck Schaffer. Kenny Peterson and Mike Magee were chosen to represent Jordan on the second string All-City team.

VARSITY

This year's varsity team is by far the best team that Jordan has ever had. The Panthers gave outstanding hussle and play to make a fine ball club. Jordan sported a 20-7 record this year--the best in the city. The Jordanites started by trouncing Wilson twice. The Cats continued with two easy victories over Excelsior. Then Poly, the favored league champion, edged us 43-39 in the initial game and also took the second title by a convincing score of 56-43. The Jordan quintette came back with victories over Lynwood and Compton. The tough Panthers ended their long season with a loss to Downey, but our hoopsters took the first of the two games.

The team offensively scored 572 points with Ron Fairly leading the squad with 144 points. The team finished in second place.

BEE BASKETBALL

The Bee Basketball Team in 1955 enjoyed a very successful season. Starting the season, the Pantherbabes captured the consolation trophy at the Excelsior Tournament. All-tournament honors went to guard Dennis Nelson. In the Wilson game our Bee's set a new scoring record by winning 67 - 63. The Pantherbabes finished the season in third place.

1955 VARSITY TRACK

VARSITY TRACK Many prospects from cross country gave support to the Jordan Varsity track team. The strongest events this season were the pole vault, shot put, and high jump. Coach Clem Reece anticipates that next year will be more prosperous.

Pole vaulter Ralph Rocha set a new school record of 12'7 $\frac{1}{4}$ ". Fawcett's best shot put is 50'3 $\frac{1}{2}$ ". He hopes to better the school record of 51'10". Dean Fife, very capable point winning captain, was leader of the team.

BEE TRACK The Bee track team with the advantage of great depth was able to hold its own by winning three and losing three meets. The most not notable first place winners were: Chuck Schafer, Ron Benson, Bruce Motshagen, and Captain Mike Alls.

CEE TRACK The Cee track squad, led by their captain Larry Gentry, made an unsuccessful bid for the top division.

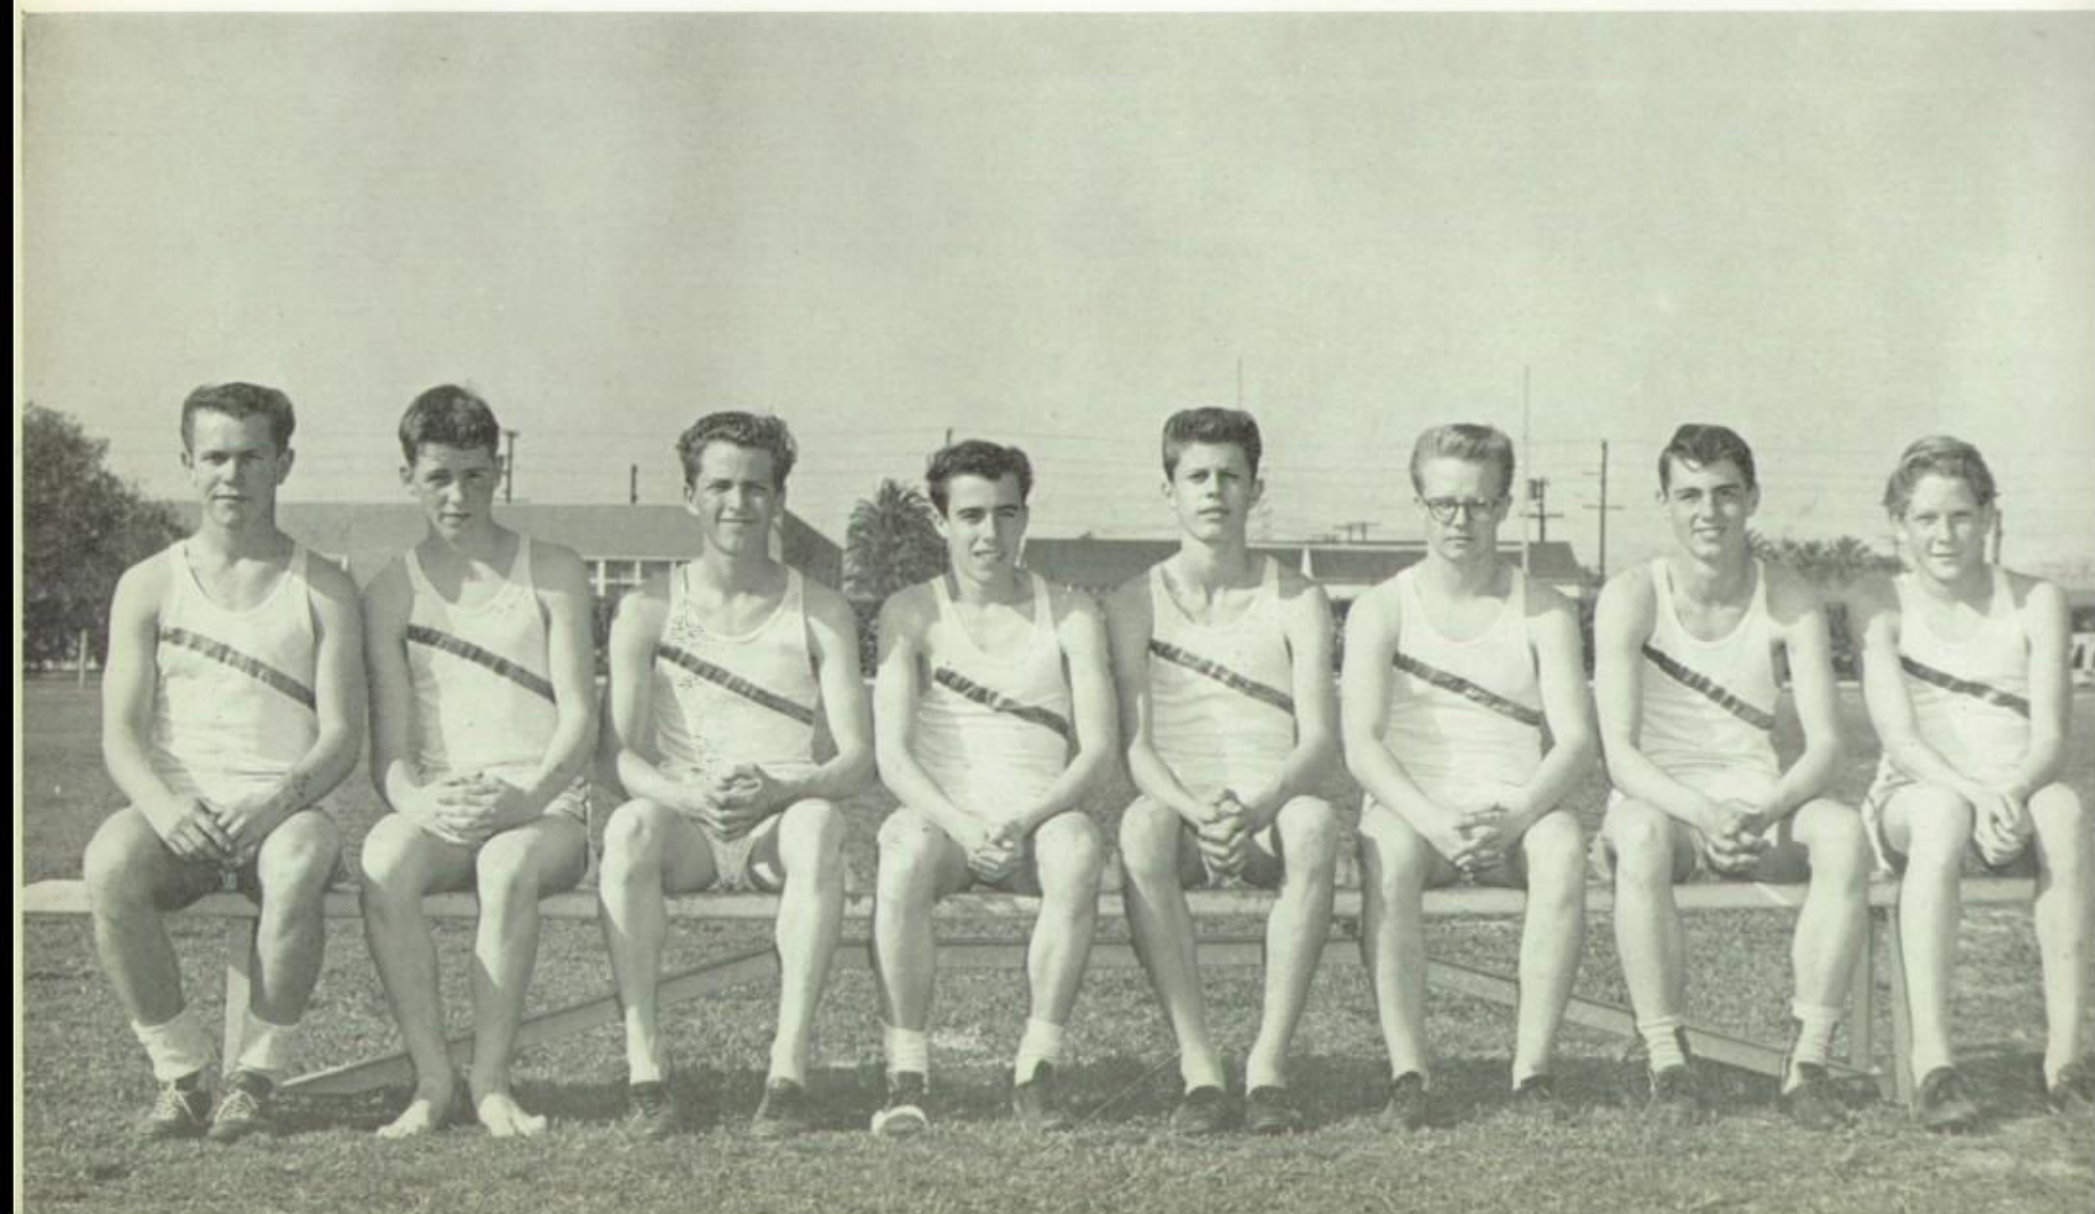

The constant-point men were Don Ball, Bob Rinehart and Larry Gentry. They lacked depth, not having more than two men in each event.

VARSITY TENNIS

Doc Cure's varsity squad didn't walk off with any top honors, but otherwise did quite well this season. Bob Shoup and Andy Sargenti held the top spots on the team. Many juniors and sophomores got the experience necessary for a terrific team next year.

JUNIOR VARSITY

The J. V. tennis team lacked experience, with only one letterman this season. Coach Joaquin Miller expects great things next year from Calvin Parrish, Frank Arundel and Roger Kobata. Almost all the team will be returning next year.

JORDAN COACHES

Presenting the Jordan Coaching staff for the '54 - '55 season:
 Ben Palmgren-Basketball; Richard Brown-Football; Herb DeVries-Swimming; "Doc" Cure'-Football; Thomas Gough-Basketball; Clem Reece-Track; Joaquin Miller-Tennis; Bob Parks-Football; Bill Crutchfield-Baseball; Vaughn Gordan - Track; Rocky Kemp - Director of Athletics.

WATER POLO VARSITY

Jordan's Varsity water polo team had a fair year, in the win-loss record, but gained important experience for the new sophomores and juniors. The boys rose to the heights on several occasions, notably, the game in which they held League Champions Downey to a score of 3-1. Bob Parameter was the outstanding offensive threat while Howard Osborne the team captain, and Keith White were outstanding on defense. Other members of the line-up include Ron Booth, Ed Chiase, Guy Berge, and Allen Hunsaker.

BEE

The Bee water polo team won the Coast League Championship but lost the Southern California title by one point. They scored 38 points to their opponents 6 for the whole season.

The squad consisted mainly of seniors ably led by Captain George DeVinna, who was selected All-League and All-City. Jordan was honored further by the selection of Dave Cranford as All-City.

Other members of the squad were: George Crone, Roger Coulter, Fritz Krausse, Dave Willey, Don Brine, Dale Dawes, Doug Martin, Ben Post, and Larry Woll.

CEE

The Cee players were: John Porley, Mark DuBourdieu, Jack Shenk, Phil Jones, Doug Denison; and Ray Carpenter, Mike Cuckler, Paul Gilson, Leo Fassett, Gary Alexander, and Bob Brese made up the second string.

SWIMMING VARSITY

Jordan's varsity team was not outstanding in C.I.F. competition this year, but with the help of some of the Bees the team managed to win two out of four meets and performed admirably against Compton and Downey.

Coulter, Cradford, Osborne and Martin broke the school record for the four man relay. Martin also broke the school varsity 200 yard free style record. Howard Osborne, the outstanding sprinter, was the most consistent point winner.

The squad members were Howard Osborne, Bob Parameter, Guy Burge, and Captain Ron Booth.

BEE

This year's Bee team was the best group of swimmers ever to be at Jordan during the same year. Led by captain Roger Coulter and co-captain Doug Martin, the Bees won Jordan's first C.I.F. championship in the 1955 Relays and took a close second in the Midwinter Championships. Every Bee record in the school was broken this season. The Bees also broke two varsity records.

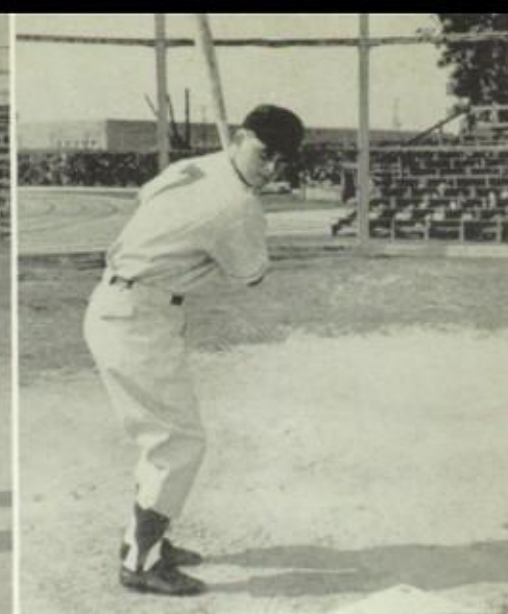

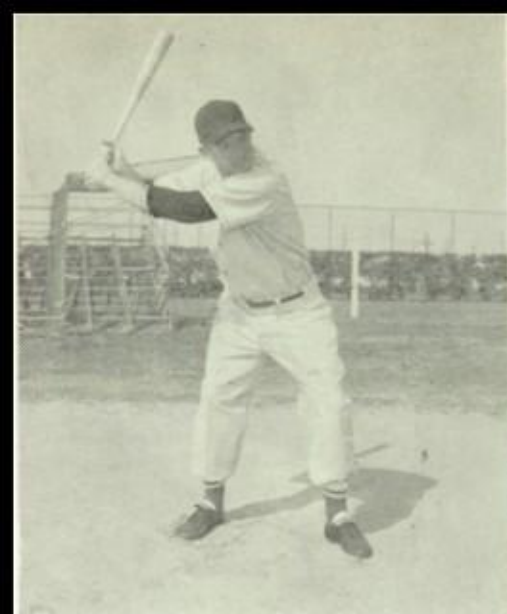

Members of the team included Doug Martin, Roger Coulter, Larry Woll, George Crone, Doug Tugwell, Dave Cranford, George DeVinna, Boyce Alsup and Ross Frank.

CEE

The Jordan Cee team tied for first place in the Coast League. Paul Gilson broke the school breast stroke record with a time of 33.1. Another school record was shattered when the Cee medley relay team swam the fast time of 42.7. The team members were Phil Jones, Steve Bider, Paul Gilson, John Portland, Leo Fassett, Roy Carpenter, and Captain Steve Rummier.

We attribute our wonderful sports year to our capable G.A.A. Cabinet, headed by Roaine Cossarek, manager. The Girls Guest Assembly was a great success, as were all the other parties that the G.A.A. sponsored. The basket ball sports day and the tennis jamboree at City College were the highlights of our sports program.

Our president and our sponsor supervised the Cabinet. They did a lot of extra work to provide us with an exceptionally fine sports program.

VOLLEYBALL

Volleyball, which is our first sport ber, is a well-liked warm-up for the upon returning to school in Septem- the sports day at Lynwood High rest of the year's sports program.

This year's volleyball manager, Marve Dunbar, did very well, and School was a great success.

DANCE CLUB

The dance club was formed this year under the direction of Mrs. Robinson. The club is for those inter- ested in modern dance.

REC. GAMES

Some of our games don't require physical exercise. It's nice to sit one out sometimes and exercise the brain instead of the muscle.

TENNIS

This year's tennis season was great. More girls joined this season than ever before. The lack of funds this year for transportation kept the girls from attending the tournaments. The co-sponsors of tennis are Miss Doughty and Miss Breig.

BASKETBALL

Coming away with the top rating in the basketball tournament, Jordan again up held a three year record. The championship playoffs were held here on campus during G.A.A. play day in January.

SOFTBALL

Softball seems to be the sport in greatest demand. A new system of class competition is being tried out this year. The Seniors, Juniors and Sophomores will vie for the Jordan championship. Jordan sent three teams to the tournament at Downey on May 18th.

Pictures of friends and campus leaders, shown as they patronize the business firms which are popular with students make the members of the Jordan student body eager to see the advertising section of the TRAILBLAZER. * ACKNOWLEDGMENTS

We have tried, in this year's Trailblazer, to bring back memories and record a small part of student life at Jordan. This pictorial record may bring back recollections of dates, games, and good times that might never again be captured. The staff hopes to find the satisfaction of a job well done in students response. Now comes the pleasant opportunity to express special thanks and appreciation to those who helped to make this book possible...

SCHOOL HELP

- . . . Mr. George Meline and his print shop crew.
- . . . Mr. Joaquin Miller and the annual photography class.
- . . . Mr. Paul Baldwin for the business advice.
- . . . The administration, faculty and student groups for their wonderful cooperation, encouragement, and understanding.

PROFESSIONAL HELP

- . . . S. K. Smith Company for the production of our covers.
- . . . Chris Myron Studio who photographed the seniors, classes, and faculty.
- . . . Nelson's Engraving House for their understanding and layout help.
- . . . Green's Printers for printing the Trailblazer.
- . . . Our Advertisers who helped make this book possible.

OUR STAFF

- . . . To those who were the "work horses" - Agnes Atencio, Jan Orme, Jerry Moore and Mignon Crawford.
- . . . All the other staff members who worked together on this publication.

It's been a lot of fun, and hard work too, in presenting this '55 Trailblazer. We want you to add your Trailblazer to your memories of a wonderful year at Jordan.

Thanks again,

Pat Anderson

So a real
fine guy. I
think you're nuts!
Don't you ever though I think
you're really fine & I want to
wish you luck in every thing you
attempt in life.
